

SUMMARY OF CREDIT

The Public Protection Class is based on the total percentage of credit as follows:

<u>CLASS</u>	<u>PERCENTAGE</u>
1	90.00 or more
2	80.00 to 89.99
3	70.00 to 79.99
4	60.00 to 69.99
5	50.00 to 59.99
6	40.00 to 49.99
7	30.00 to 39.99
8	20.00 to 29.99
9	10.00 to 19.99
10	00 to 9.99

Class 10 – Unprotected

This property is farther than 5 road miles from a fire station or the first responding fire department does not meet the minimum requirements of the North Carolina Department of Insurance or ISO

NOTE: This distance rule applies even if a recognized water supply is within 1000 feet of the subject property.

Class 9S – Protected

The property is within 5 road miles of the first responding certified fire department, but over 1000 feet to a recognized water supply.

Class 1 through 6 – Protected

The property is within 5 miles of the first responding certified fire department and within 1000 feet of a recognized water system (supply) which can produce a minimum of 250 gpm for a 2-hour duration.
