The Budget Process for FY 2014/2015 was discussed with the consensus of the FAB to leave the format as is, with the exception of adding a line item that will reflect the actual figures adopted by the Board of Commissioners. Donald will work with Nancy in making this adjustment to the budget format.

Budget thumb drives are to be distributed to the fire departments on January 10, 2014 and due back to the Fire Marshal's Office by April 4th.

A review of the Goals & Objectives in terms of tracking progress was discussed by the FAB. Great strides have been made, but still have a ways to go in mastering goals.

The unified tax rate was briefly mentioned and while it resolves some issues, it creates others.
