10:03 a.m. - Bob McCarthy called the meeting to order and welcomed everyone. There were no public comments.

Due to a lack of Quorum, the Board could not approve the minutes from the July 24, 2014 meeting.

Sidney Morgan provided a COLTS quarterly update: Sid provide Service miles and trip detail. Sid announced the move of the COLTS offices to the former Hillcrest Youth Shelter. He publically thanked the Lee County Information and Technology and General Services Departments for their hard work in assisting with the move and providing a smooth transition. He invited Board members to tour the facility following the meeting.

Grant and NCDOT/PTD Update: Sid announced that COLTS is in the process of preparing for a full compliance review in December. He gave a Safety update and information on the ROAP and FY 2016 Grant Applications.

Comments: Michael Robertson report that on occasion the van was an hour late due to a driver's illness. This caused the Steven's Center field trip to cut short. Sid apologized and stated he would investigate the situation.

Michael also expressed concern over the fare rate of \$4. He requested it be lowered for shorter trips. Sid explained how the public fare service operates and the rate is set no matter the distance traveled.

Roger Bailey raised the question of the possibility of increasing the lead time for demand response trips to an hour. This could be a solution to funding issues.

With no further business, the meeting adjourned at 10:30 am.

Respectfully submitted by Jimmy Solomon on behalf of Debbie Davidson, Secretary,

Bob McCarthy, Chairman
