

# Nifty Noggins Coverings For "Smart" Heads

The coverings are made by the loving hands of volunteers. They are "free" to Cancer patients who are having difficulty finding such items. Call Carole Nicely to make arrangements to come to the Enrichment Center to make your selection.

919-776-0501 ext. 205

The head coverings are so stylish we have had many requests to purchase them. What better way to support our friends than obtaining one with a donation to The Enrichment Center for Nifty Noggins supplies.
